1. What Are Cookies

Cookies are small text files stored on a user's device when visiting a website.

They help the website function properly, enhance user experience, and can be used for analytics and advertising purposes.

2. Types of Cookies We Use

2.1. Technical Cookies

These cookies are essential for website functionality, including **access token storage** and session authentication.

Without these cookies, some parts of the website may not function properly.

2.2. Functional Cookies

These cookies allow us to remember user preferences such as **language selection** and improve the usability of the service.

2.3. Advertising Cookies

We use advertising cookies to deliver personalized ads and measure advertising campaign performance.

These may be placed by third-party advertising networks and partners.

3. Third-Party Services

We may use cookies and similar technologies provided by third-party services, including:

- **Cloudflare** – for website security and performance optimization.
- **Jetopay** (jetopay.api-docs.info) – for payment processing.
- **Adsterra** (adsterra.com) – for displaying advertisements.

These third parties may use their own cookies and collect technical data (such as IP address, browser type, and language settings) in accordance with their respective privacy policies.

4. Cookie Storage Duration

All cookies are stored for **no longer than 1 month** from the date of creation, after which they are automatically deleted or can be manually removed by the user.

5. Cookie Management

Users can manage or delete cookies through their browser settings.

Disabling cookies may affect the proper functioning of certain features of the website.

The website **does not display a cookie consent banner** upon first visit.
